

EARTH DAY ASSEMBLY

Students of Classes II, III and IV put up a special assembly on 28th April 2016 to celebrate Earth Day. Class II pupils had dressed up as animals whereas boys of Class III dressed themselves up as flowers, trees, shrubs and bushes. Pupils of Class IV put up a skit demonstrating the types of pollution.

The beauty of the entire programme was enhanced by melodious action songs and music. We all carried back with us a message on that day that we can all contribute in saving our planet from dying.

Special Assembly put up by Birla High School, Jr.

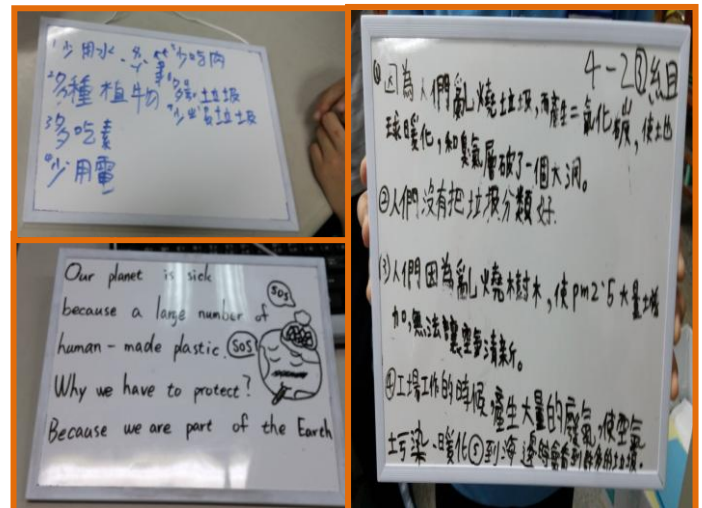

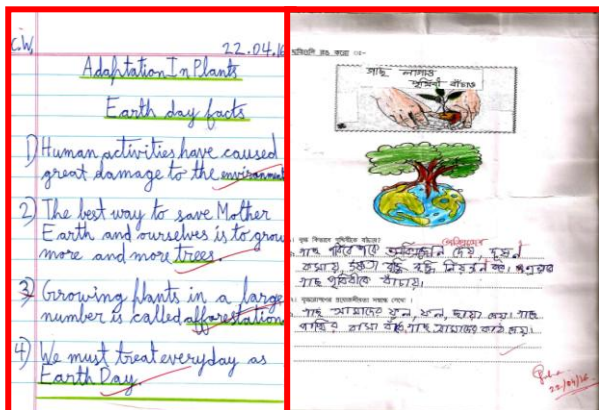

Classroom Presentation by Hsinhu School, Taiwan
