COOLING OFF WITH

Go on a voyage with Sinbad the Sailor by reading the Comic uploaded on Campuscare and enjoy doing the exercises that are there along with it. You need not submit any of the answers. You will get a Fun Review Sheet after you come back.

In the lesson Salim's Song you will find some ingredients that can be used to prepare a dish. Use one or more of these ingredients to prepare a dish. Write the recipe of the dish in your literature exercise book. Click a photograph of you being helped to cook the dish and another of your family sitting together and enjoying the dish. Do remember to paste it alongside the recipe.

Lets have a **Social Studies** full of activities

Activity 1

If you are visiting grandparents or relatives outside Kolkata :

- ✚ Help them to clean their surroundings.
- ✚ Talk to them regarding cleanliness, saving fuels and energy.
- ✚ Spend time with them.
- ✚ Tell them how your school is making you aware of a **BEHTAR INDIA**.
- ✚ Click photos with them while doing some cleaning work.
- ✚ Click pictures of our beautiful Mother Nature around the place you have cleaned and write two paragraphs about your amazing experience .

This work will be done in your History exercise book.

If you are not going anywhere, you can do the same activity in your neighbourhood.

Activity 2

- ✚ Visit any river side or may be our own Hoogly river.
- ✚ Write a paragraph on how the river is polluted.
- ✚ Mention 2 suggestions to make the river cleaner.
- ✚ Paste your/ family photograph by the river side.
- ✚ Do the above in your Geography exercise book.

Let's make India a Behtar India

Science Holiday
Fun

Let's Beat The Heat!!
Find out about 2 natural
coolers.

Learn how to make them.

Write one or two

sentences about each
in your Science
notebook.

Draw/paste a picture
of the cooler you
learnt to make.

MATHEMATICS

Activity 1

Hey! Now here's a treat for you... Yummy...

Visit any *EATING JOINT* with your family.

What's next, do I need to specify?

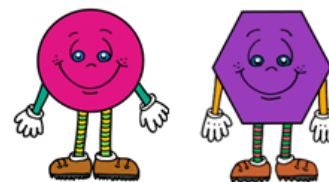

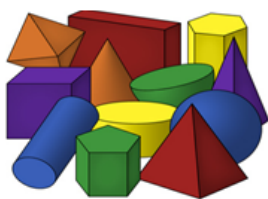

Buy any 3 or more eatables of your choice.

Now, make a list of items you have purchased with their prices.

Don't forget to total and find out how much your bill was.

Fun with Shapes.....

Activity 2

Collect or make small objects of the following shapes using waste material like match stick, straw, coloured thread, foil, pencil shavings:

Circle, Sphere, Square, Rectangle, Cube, Cuboid, Cylinder and Cone.
