CLASSES- NURSERY to V

Dear Parents,

The yearly all round success of this Institution, supplemented by the role of parents, guardians as well as well-wishers, is the testimony of maintaining ongoing progressive educational practices, in congenial environment for betterment of the future of the student.

For the purpose of achieving those objectives for their wards the role of parents and guardians is all the more important. However, it is also necessary for the annual restructuring of school fees to cover and make up the ever escalating costs incurred by the institution. This is affected by way of meeting, apart from recurring establishment costs, compulsory statutory financial obligations like regular increases in payment of salaries of teachers and other staff at par with the State Government. The school's ancillary expenses and creation of reserve fund for development purpose as mandated by the CBSE Bye - Laws, is sine qua non to fulfill the aforesaid objectives.

This is no unique for any individual educational institution of repute but universally applicable.

With these facts and circumstances in view it becomes imperative to restructure the school fees periodically; this is considered absolutely necessary and appropriate. Viewing all aspects, Tuition Fee is revised to Rs. 3965 p.m. for the session 2020-2021.

Remaining components, however remain unchanged. The existing scheme of awarding scholarships and due commitment to statutes as at present will continue.

Thank you,

Mrs. F. Singh
Headmistress
