The students of Class IV crafted posters using recycled materials and wrote slogans in different scripts on ‘Saving our Environment’.

Activity 2 – Connecting People to Nature

a. Preserve Water, Preserve Life

The students made simple masks on various marine creatures and spoke a few lines on how these are being affected by human activities.

b. Adaptation of Plants and Animals depending on the Climate of a Place

The students gathered information and drew related pictures to give a glimpse of a comparative study - Adaptations in the diverse environment experienced in Nagaland and Rajasthan.
