

## **DETAILS OF THE CLUBS**

### **CLASSES III, IV & V**

**2024-2025**

Debate Club (III, IV & V)	The Debate Club is an engaging and dynamic extracurricular activity designed to cultivate young students' critical thinking and communication skills. Through structured debates on age-appropriate topics, children in the primary section learn to articulate their thoughts, listen actively to their peers, and construct persuasive arguments.
Do-Re-Me The Music Club (III, IV & V)	The Music club introduces pupils to rhythm, lyrics, and the wonder of melodies. Here, they will not only learn songs but will also learn to play instruments like the synthesizer, bongo, tabla & cajon.
Expressions (III, IV & V)	The Expressions Club hones speaking and dramatic skills and instils confidence in public speaking.
Little Scholars (III, IV & V)	The Reading Club fosters the habit of reading and encourages students to explore the mystery and magic of storybooks.
Quest (III, IV & V)	The G.K. Club encourages pupils to become aware of their surroundings and helps them gather useful information.
Eureka (III, IV & V)	The Science Club helps nurture the child's curiosity. It focuses on experimenting and discovering the mysteries of science, which leads to a better understanding of their environment.
Bits and Bites (III, IV & V)	In the Bits and Bites Club master chefs will learn culinary art, and etiquette for a healthy life. Here students also learn skills of presentation and hospitality.
E – Club (Only for IV & V)	This club attempts to build a space bridge across the continents and help children discover new facets of using computers.
Mind Spark (III, IV & V)	This club provides a space where children can explore the world of creative writing, puzzles, brain teasers, Sudoku, and much more. Each activity is designed to challenge students' minds, promote problem-solving abilities, and ignite their imagination thus stimulating their higher-order thinking skills.
Wellbeing Warriors (III, IV & V)	The Wellbeing Warriors Club believes in nurturing the head and heart of our students and their loved ones. The club is dedicated to social service, environmental stewardship, and promoting mental well-being among our school community. It endeavours to make a difference in

	the lives of people around us while fostering strong connections and holistic well-being among our students.
Young Engineers (Only for IV & V)	<ul style="list-style-type: none"> <li>• The Robotic Club (<b>Paid Club</b>) aims at designing, building, and programming robots, giving wings to their mathematical, technological, and electronic skills. The fees for this club is <b>Rs. 5400/- per annum</b>. Students can take their tool kits at the end of the academic session.</li> <li>• Please note that the payment of Rs. 5400 needs to be made in two instalments of Rs. 2700/- in June and September'24.</li> <li>• Details regarding payment will be shared with the students shortlisted for the club.</li> </ul>
The Grooming Guild (III, IV & V)	<ul style="list-style-type: none"> <li>• Personality development classes are important for students in the primary section as they lay the groundwork for essential life skills and personal growth. These classes help build confidence, communication skills, and social etiquette from a young age. Students learn to express themselves effectively, work collaboratively in teams, and develop resilience to face challenges.</li> </ul>
